Veterans' *Perspectives*

Peer Support Specialists' Unique Contribution to Veterans' Health

HSR&D's new monthly publication *Veterans' Perspectives* will highlight research conducted by QUERI investigators, showcasing the importance of research for Veterans, and the importance of Veterans for research. Our inaugural issue of *Veterans' Perspectives* features QUERI for Team-based Behavioral Health and its evaluation of peer support specialists' involvement in helping Veterans treated in VA primary care settings.

In the April 2018 Issue:

- [Vital Role of Veterans in VA Research](#)
- [Peer Specialists in Primary Care](#)
- [Increasing and Evaluating the Role of Peer Specialists in Primary Care](#)
- [Using Peer Support in Primary Care: Perspectives of Peer Specialists](#)
